REAL RESULTS, REAL FEEDBACK

Ashish and his team have been fundamental in helping me navigate the intricacies of the Canadian cannabis regulations. CanSat Consulting has helped me completely revamp my quality management systems and in doing so, I have been able to focus on growing other areas of my business. I would highly recommend Ashish and his team to anyone looking for a reliable consulting service.

Matt

CEO @ Unit 15 Ltd.

I had the pleasure of working with Ashish from Cansat Consulting for my last organization. From the moment he joined, I could see he was quite proficient, smart, and had the right execution skills, which were essentially required for us. I was also impressed with the delivery time of the projects, as he would consistently follow up to ensure the timely completion of tasks. I highly recommend this firm for regulatory, quality, or licensing services.

Nithin Aluvala

QAP/ QA Lead @ Mera Cannabis Corp.

We have been working with Ashish from CanSat Consulting for over a year now. Ashish is successfully managing our QMS and acting as QAP for our site. Working with him has been a game changer, his knowledge and expertise with various acts and regulations has been unparalleled. He is also very dedicated to his clients and helped us in getting compliant and certified to export our products to Israel and Germany. Ashish has always been quite responsive and just a call away to resolve any issues. Ashish also provides his valuable business insights and helps us forming relations with other industry professionals. I highly recommend Ashish for your QAP, QA, Licencing or Regulatory requirements.

Jack

CEO @ Cannabis Licenced Facility

Working with CanSat Consulting has been a game changer and a very positive experience. Their expertise and guidance in the field of quality and regulatory compliance exceeded my expectations. I highly recommend this firm's services to any organization seeking reliable and effective quality and regulatory consulting services.
